

Saint George's Church of England Primary Phase Weekly Newsletter

Term 6 – Week 1
Friday, 9th June 2023

Dear Families,

Welcome back to term six! I cannot believe that we are already in the final term for this academic year! We had a fabulous start to our term with a fun and interactive steel pan workshop on Monday! This was enjoyed by all of our children and adults, as they sang and danced along to the steel pans!

There are lots of brilliant things to look forward to this term including Hedgehog's class trip and worship, sports day, developing our Forest School area and the Colour Run with the secondary phase, to name a few.

We will also be spending lots of time on transition and preparing your child for their next academic year in school. Please take a look at the diary dates so you are aware of what is happening this term.

Thank you

Mrs Taylor

ATTENDANCE THIS WEEK

A HUGE well done to Foxes!

Attendance Ted will be visiting you next week!

Hedgehogs	93.55%
Badgers	95.56%
Squirrels	98.06%
Owls	93%
Foxes	98.39%

WHAT'S THE BEST DAY TO COME TO SCHOOL?
EVERY DAY!

For Information

Father's Day Activity Sessions

Just a reminder that to celebrate Father's Day, we would like to invite all of our lovely dads (or grandad, uncle, big brother, if dad can't make it) into school on Thursday, 15th June for a Father's Day activity session.

Please see the table to the left for the time of your session.

We look forward to seeing you all!

Year Group	Activity Session Start Time
1 – Badgers	9.00am – 9.45am
R – Hedgehogs	10.00am – 10.45am
3 – Owls	11.00am – 11.45am
2 – Squirrels	1.15pm – 2.00pm
4 – Foxes	2.15pm – 3.00pm

Clubs in Term 6

Another reminder – this time about school clubs! If you booked your child onto a school-run club in Term 5, they have automatically been enrolled for Term 6.

Our Term 6 clubs started this week and will finish in the week commencing 10th July (the week before we break up).

From next week, please collect your child from their school club at the main school gate, rather than the school office. This should make the collection of bikes and scooters a little easier!

For Information

Do you know anyone with an ice-cream van?

We would love to have an ice-cream van at our sports day on 22nd June. If you know of anyone that has an ice-cream van and would like to come and sell their ice-creams at our Sports Day, please email their details to

bianchetn@saintgeorgescofe.kent.sch.uk

Forest School Working Party Dates

Thank you to everyone who has volunteered for our Forest School Working Party. We have set aside the following dates to start working on the area – Tuesday, 27th, Wednesday, 28th and Thursday, 29th June.

Don't worry if you would like to get involved but haven't yet put your name forward. Please let the office know if you are able to help on any of the above dates and come and join in the fun. Any time you can offer us will be very much appreciated! We will need to borrow tools and equipment to make this work and will be sending a plea out next week!

This Term's Value

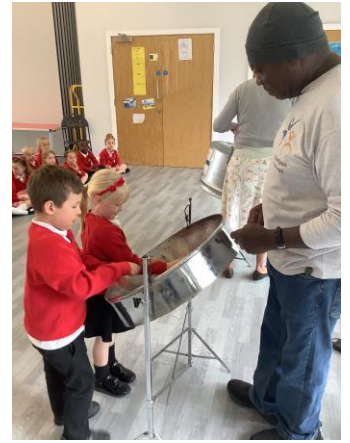

As you know, we focus on a school value each term. This term our value is **Thankfulness.**

This week in School

Steel Pan Workshop

Our first day of term started in style! Marcella and Junior from Irie Steelpan Workshops, kicked off with a whole-school worship, playing some of the children's favourite songs. Each year group then had their own workshop and learned more about the pans and how to play them. The workshops finished with music, singing and dancing. What a fantastic way to start term 6!

School Values Awards

Who has been demonstrating our school values this week?

Abigail for showing *stewardship* by being so kind & such a good role model!

Alice for showing *thankfulness* by always being so polite!

Creativity

Honesty

Resilience

Inclusion

Stewardship

Thankfulness

Isabelle for showing *thankfulness* by always remembering to say thank you!

David for showing *resilience* when working with his peers!

Aaryan for showing *creativity* in his use of similes in English!

Our stars of the week!

Hedgehogs

Kyran, Reuben & Zalika for settling so well into hedgehog class!

Badgers

Alex for his amazing work when measuring with a ruler!

Squirrels

Samuel for a fantastic effort in all his learning!

Owls

Betti for always having a positive attitude towards her learning!

Foxes

Rubie for being such a fantastic role model!

Thursday, 29 th June	Careers Event for Years R, 1 & 2

July Dates to follow shortly!

Wear Yellow Day' in support of Cystic Fibrosis on Friday 16th June

Just a reminder that next Friday we are supporting the Cystic Fibrosis 'Wear Yellow Day' and are encouraging all children to wear something yellow to school, whether that be a yellow t-shirt, a hair accessory or yellow shoes - anything goes as long as it's yellow!

We are shining a light on this very special cause as Ronnie - see below - has Cystic Fibrosis and he will be talking to the children about the condition in a special Worship next Friday.

We are kindly asking for a donation for taking part in our Wear Yellow Day. Please visit our special fundraising page to donate:
<https://cysticfibrosistrust.enthuse.com/pf/melanie-fry>

Hello! My name is Ronnie

Cystic Fibrosis Trust

I have cystic fibrosis (CF). It's a genetic condition that causes the mucus, which our bodies naturally produce, to be thicker and stickier than in people without the condition. It affects my lungs and digestive system in particular - the build-up of this mucus can cause lung infections and blockages in my pancreas that affect my digestion. I have to work really hard every day to stay well. Cystic fibrosis can be an invisible condition, so even though I might look well, I might not be feeling well.

There isn't a cure. Treatment usually involves physiotherapy to clear my airways at least twice a day, enzyme supplements (Creon capsules) with every meal or snack, nebulised (inhaled) treatments, antibiotics and other medications. It can all take a really long time and I have to get up earlier than other pupils to do these treatments.

I have to do it all again when I get home. This can be really tiring!

You'll find out more about CF next week when we have our special worship!
