

Maths -

This term we shall be focussing upon shape and angles - understanding types of angles, how to measure angles and relationships between angle measurements. Furthermore, we shall be looking at interpreting data, converting units and negative numbers

English

In this term, we will be exploring a range of different texts including the poem Dreams by Langston Hughes, Rumaysa by Radiya Hafiza and Survivors by David Long. We will be focussing on writing to entertain and inform whilst incorporating all previously learnt techniques and skills from Year 5 throughout our work effectively and fluently.

Religious Education-

This term, we will be continuing to explore Islam, focusing on its core beliefs, history, and cultural traditions. We will learn about the key practices such as the Five Pillars of Islam. We will also examine how Islam began and spread across different parts of the world and explore how it is practiced by Muslims today through traditions and celebrations.

Woodpecker class - Term 6

Art and D&T

Art this term is entitled "The Power of Love" and exploring the work of Auguste Rodin and their impact upon sculptures art

Our D.T work is entitled "Food". We shall be learning about health and safety in cooking and growing our own foods.

Music

Children will continue to partake in their violin lessons this term.

50 Things

Sew on a
button

Computing

In this unit, pupils develop their knowledge of selection by revisiting how conditions can be used in programs and then learning how the If... Then... Else structure can be used to select different outcomes depending on whether a condition is true or false.

Science- Biology

Our science topic this term is entitled 'Life Cycles'. We will investigate how plants, animals and humans create new and fertilise young as well as their life cycles.

History

WW2 - this term we will be continuing to explore World War two. Investigating the entire world impact and also bringing it home to Gravesend to see how it was impacted.

Geography-

The World's Oceans is the focus of our geography learning this term. We will learn about the different biomes of the ocean, the life that inhabits it and the environmental impact of humanity upon it.

Please complete one home learning activity a week in your Homework book. Remember to date all pieces of work, give it a title and complete as neatly as you would at school. Parents: please sign and date this sheet when your child has completed each task and return to school along with your child's homework book at the end of the term. 1 dojo will be awarded for completed homework grids! 😊

English:

Based upon Dreams by Langston Hughes, create your own piece of poetry that can be used to inspire others to follow their dreams.

Dreams

BY LANGSTON HUGHES

Hold fast to dreams
For if dreams die
Life is a broken-winged bird
That cannot fly.

Hold fast to dreams
For when dreams go
Life is a barren field
Frozen with snow.
