

Post 18 Applications – Where am I and what are my next steps?

Action	Have I completed this? YES / NO	If no, set a date to complete	Tick and date when completed
Decided whether I am going to apply for university, apprenticeship, or both.			
Written a first draft of a personal statement on Unifrog.			
Had feedback and made improvements to my personal statement to complete the tick sheet (making it ready to hand to Mrs Pye / Miss Morgan)			
Responded to feedback from Mrs Pye / Miss Morgan (only after tick sheet completed) and after numerous drafts have it signed off by them.			
Added in your personal statement reflections on your work experience.			
Signed up to the Government apprenticeship search and set up an alert for apprenticeships you may be interested in.			
Started to research into companies you may wish to apply to apprenticeships in.			
Completed an MOOC in an area you wish to apply for and added in reflections to your personal statement.			
Completed wider reading around your subject and added this into your personal statement.			
Completed all admin sections of the UCAS form.			
Began researching into your chosen universities and courses			
Booked any open days for universities they wish to apply for (we will authorise time off for this)			
If intending to study law, booked your LNAT exams (or ruled out these universities that require it).			
Spoken to my teachers about my predicted grades for UCAS and apprenticeships.			
Started researching how to prepare for interviews, if applying for apprenticeships.			
Completed my CV
