

# Owl Class: Year 3 - Home Learning Grid - SPRING 2

Please complete one home learning activity a week in your Homework book. Remember to **date** all pieces of work, give it a title and complete as neatly as you would at school - **in pencil!** Parents: please sign and date this sheet when your child has completed each task and return to school along with your child's homework book **at the end of the term.** 6 dojos will be awarded for **completed** homework grids! 😊

**Science** Our topic is how does your garden grow.  
Seeds come in all different shapes and sizes. Can you find four? Draw pictures of each one and write the name of the plant that grows from it. You could find some seeds from your garden or with an adult cut up fruits such as apples, cucumbers, and avocados - what do their seeds look like?
