

Saint George's Church of England Secondary Phase Newsletter

Term 3

Friday 13th February 2026

From our Executive Headteacher

Dear Saint George's Parent,

Thank you for your great support over the last term, particularly parents of pupils in Years 11 and 13 who are working so hard to support their children through mock exams. Hats off too to pupils and staff in year 6 who I know are working very hard right now. It feels as though mocks have gone well, we'll see the results in due course ahead of an important summer for years 6, 11 and 13.

Despite the damp and dreary start to the calendar year, we have crammed much into this shorter term including those exams, but also key sporting fixtures in girls and boys' football across all phases, netball and rugby of course, and a third placed finish in the primary phase inter-trust basketball tournament. Likewise trips and visits related to our curriculum, primary/secondary transitions sessions, primary phase singing at the O2 and an all-important Holocaust Memorial event at Rochester Cathedral where pupils from years 5 to 12 performed superbly.

It was a pleasure also earlier in the term to welcome the new vicar of St Mary's Gravesend, Rev Dr Colin Fairweather into our community. You'll know already that we work very closely with St Mary's through daily worship, but also with pupil voice events and our important Eucharist services across the phases throughout the year. So, I hope you will join me in welcoming Rev Colin into our Saint George's community.

Finally, and to provide an important update, Chaplain and others have been meeting recently with members of Blake's family and her closest friends to think about how best we can remember her here at Saint George's; we have had some really great suggestions from the young people closest to Blake!! Closely linked to this is a further plea on the next page of this newsletter to give as generously as you possibly can as Blake's family work hard to set up their charity *Blake's Pink Promise*; something that is already working to the benefit of our pupils here.

With very best wishes for a good half term,

Mr Murphy
Executive Headteacher

Blake's Pink Promise

In Loving Memory

Tragically, Blake's life ended far too soon, and words cannot express the heartbreak felt by her family, friends, and everyone who knew her.

Blake's Pink Promise charity will be setup and led by Blake's family and godparents and will exist to:

- Prevent child suicide through awareness and education
- Support bereaved parents with help, compassion and resources
- Ensure every young life is valued and never forgotten

Blake's Pink Promise

Every donation, no matter how small, will make a difference. Together, we can turn heartbreak into hope, turn pain into purpose and ensure Blake's legacy shines brightly for years to come.

Chaplain's Update

This term through worship we have focused on our value of Respect. We have explored what this means in terms of how we learn to listen with empathy and 'disagree well' in our everyday interactions. We have also explored what respect means in terms of how we come together across different beliefs and world views.

As a school community we reflected on the significance of Holocaust Memorial Day and a number of our pupils from both the primary and secondary phase joined together to participate in the Holocaust Memorial Day service at Rochester Cathedral – they were fantastic representatives for our school in a service that brought together schools, religious groups and members of the local council in a community act of reflection.

This term Values Ambassadors from the Primary phase have been building their leadership skills and have visited Halling Primary to talk to their pupil leaders and gain ideas for a playground project they are in conversation with Mrs Taylor about – it is encouraging to see them building up their skills as individuals and collaboratively as a team. A number of the new ambassadors also presented their first collective worship around the theme of 'Love in Action' reflecting on our school story and values.

Values Ambassadors in the Secondary phase have worked hard planning and delivering 'Love Your Neighbour' week on the last week of term – exploring what it looks like to be 'Good Samaritans' within our school community and extending out to our local community around us. The week has included collections for Gravesham Foodbank network, kindness challenges, wellbeing focus, craft pop up and much more! Representatives from the group will be visiting the Gravesham Foodbank main hub next term to learn more about how they support people in our community.

They have set a half term challenge – you may want to ask your child about this and see how many challenges they might want to complete!

As a whole community, may we all choose to be those Good Samaritans, marked out as those who step in and step up when we see need and challenges around us.

A blessing for us all as we enter this break:

May we be blessed and rooted in love, so we can learn to love ourselves and our neighbour with care, compassion and respect.
Amen

Winter Feels – A Guide for Young People

Winter can be tough. The days are short, the weather's gloomy, and sometimes it feels like the sun forgot to show up.

While it's normal to feel a bit low during this time of year, it's important to take care of your mental health.

Whether you're juggling school, college, or just life stuff, there are some simple ways to boost your mood and look after your mental health this winter, and there's loads of support out there if you need it too.

Why winter can mess with your mood

- **Less sunlight** can affect your energy and sleep.
- **Cold weather** makes it harder to get outside and stay active.
- **More time indoors** can lead to feeling isolated or bored.
- **School stress** or upcoming exams can add pressure. Our [2025 Exam Support Guide](#) is full of advice and guidance for dealing with exam stress.

Raising Concerns – guidance for parents

We are committed to working positively with parents and carers to resolve any concerns about school life.

ParentKind, a national charity that supports families and schools, has produced helpful guidance for parents, in collaboration with the Department of Education and Ofsted, on how to raise concerns with their child's school and how complaints processes work.

We encourage parents to read this guidance which will work alongside our school's Complaints Policy.

Are you in year 11 and looking for a level 2 course next year?

At Saint George's Sixth Form, our new Level 2 curriculum complements our existing Level 3 provision, ensuring every student is supported at the right stage of their learning. This pathway enables students to gain confidence and achieve strong results before progressing successfully to Level 3.

Entry requirements: Five grade 3s or above at GCSE

Courses you will study across one year:

- GCSE Mathematics
- GCSE English Language
- BTEC Level 2 Health and Social Care
- BTEC Level 2 Personal Growth and Wellbeing
- Employability Skills

Not sure what the right level is for you?

Get in touch with the Saint George's Sixth Form team, who will be happy to talk you through your options, and help you make the best next step for you.

Fake News and Misinformation

Sometimes, people put views and engagement over the truth – especially on social media. So, knowing what's real, and what's not, can get tricky. Childline wants to help you spot the fakes and give you advice on what to do if misinformation is affecting you.

Childline have a useful article on their website addressing the following:

- What is misinformation?
- How to spot fake news and misinformation
- How misinformation can impact you
- What to do if misinformation has affected you
- What to do if your friend is falling for fake news

Careers Hub Update

Alumni Talk to Year 12 students

Our Year 12 Biology and Chemistry students were given a talk by Faoz Peregrino-Taiwo who is currently a Bio-chemistry students at the University of East Anglia. Faoz attended Saint Georges School, leaving in 2022 after her A Levels.

Faoz shared her experiences at university and what her course is like, highlighting her timetable and her time in labourites.

Year 13 UCAS Applications

Our Year 13 students UCAS applications were sent off

Year 12 Guidance Meetings

We are pleased that most Year 12 students have completed Guidance Meetings with Lis McGuire from Sunrise Career Guidance.

Year 11 Kent Choices

Year 11 students have been busy completing their Post 16 applications through Kent Choices.

Year 10 and 12 Work Experience

It is great to see the placements that our students are registering for their work experience week in July. Placements should be added to Unifrog by the end of February. Students need to log into Unifrog using their school email address. There is a “forgotten password” button if they have forgotten this. A guide to registering a placement can be found [here](#)

Unifrog Update – Parent Accounts

You can now create your own “Parent” Unifrog account. You will be able to see your child’s tasks, upcoming events, placements and interactions. You can also try out the student tools.

You will need to create a parent account using your email address here: <http://www.unifrog.org/parent>.
