

Please complete one home learning activity a week in your Homework book. Remember to date all pieces of work, give it a title and complete as neatly as you would at school. Parents: please sign and date this sheet when your child has completed each task and return to school along with your child's homework book at the end of the term. 1 dojo will be awarded for completed homework grids! 😊

<p><u>History:</u></p> <p>Linked to our history topic of 'Early Islamic Civilisations' that we will be covering from week 4, I would like you to find me 10 facts about the area of the world known as the 'silk road'. This can be either a list, a mind map, or any other way you would like to present it.</p> <p>Parent/carers Signature.....</p>	<p><u>English:</u></p> <p>For your English homework I would like you to write your own fairy tale. This could be completely from scratch, with new characters and a new setting. However, you may wish to do a modern version of a classic (Cinderella loses her glass trainer for example). Think about the writing skills we have been thinking about so far and how you could apply them.</p> <p>Parent/carers Signature.....</p>	<p><u>Geography:</u></p> <p>This term in geography one of our focusses is mountain ranges of North America. I would like you to produce a fact file on The Rocky Mountain range. The areas you may wish to focus on are:</p> <ul style="list-style-type: none"> <li>-Location:</li> <li>-Activities (snowboarding etc):</li> <li>-Wildlife:</li> <li>-Size of the largest mountains:</li> </ul> <p>Parent/carers Signature.....</p>
<p><u>Art</u></p> <p>Using the style of 'El Greco' which we will have covered in art, I would like you to create a piece of work based on a bible story of your choice. Think about the use of colour and how shadow played a big part in his work.</p> <p>Parent/carers Signature.....</p>	<p><u>Maths</u></p> <p>Create 10 multistep word problems for someone else in the class to solve. They can include any combination of addition, subtraction, multiplication and division. E.G Mr Ames has 150 exam papers to mark. If he does 35 on Monday and 27 on Tuesday, how many does he have left?</p> <p>Parent/carers Signature.....</p>	<p><u>Times Tables</u></p> <p>Play the 'Hit the Button' game on the Top Marks website, focusing on the 6, 7, 8, 9, 12 times tables.</p> <p><a href="https://www.topmarks.co.uk/maths-games/hit-the-button">https://www.topmarks.co.uk/maths-games/hit-the-button</a></p> <p>Parent/carers Signature.....</p>
