

Maths

Fractions: The children will begin this block by exploring the denominators of unit fractions. From Year 2, they know about halves, quarters and thirds and they will now look at fractions with other denominators. They will grow to understand that a fraction can be seen as part of a whole and that to find a unit fraction, they divide the whole into equal parts.

Mass and Capacity: in this block the children will learn to use and understand scales. This small step provides opportunity for the children to become more familiar with using scales to read measurements.

English

- **Fiction Text:** *Toys Go Out*, *Something told the wild geese (Poem)* and *Flotsam* by David Wiesner

The main aim in writing for two of our texts are persuasion. Starting with *Toys Go Out* where the children will explore and create persuasive adverts for their favourite toys. Then with *Flotsam*, the children will be creating persuasive posters persuading others to keep our beaches clean. We will additionally be looking at poetry with *Something told the wild geese*. This text will be used to influence writing through explanation intending to inform audiences.

Religious Education

- To focus on our school value of **Inclusion**
- Salvation Why do Christians call the day Jesus died Good Friday?

Music-

The children will be learning how to play recorders focusing on beat, rhythm and performance.

Science- How does your garden grow?

- Identify and describe different functions of flowering plants.
- Explore the part that flowers play in the life cycle of flowering plants include, pollination, seed formation and seed dispersal.
- Report on findings from enquiries, including oral and written explanations, displays or presentations of results and conclusions.

Owl Class-Term 4

50 Things

Learn to skip.

Computing

- Branching Databases
- To develop and understand about branch databases
- Create physical and on screen branching database

History

The Anglo Saxons will be the next Significant Civilisation that we explore in our history this term. We will learn about where the Anglo-Saxons came from and the kingdoms in the UK they settled in.

Art and D&T

- **Artist Focus** - Tamara De Lempicka
To look at features of Art Deco and techniques used. The children will explore by drawing some of the art deco patterns in their sketch books.
- DT:** To explore balanced diets and seasonal vegetable growing. The children will then use this learning to create a summer and winter soup recipe. We will then create a recipe together and make it.

Geography

Landscapes: Erosion and Deposition

The children will be developing their understand of erosion and deposition in rivers and coasts as well as how it is managed through human processes.
