Term 2 Week 3

Friday 17th November 2023

Dear Families,

What a busy and exciting week we have had! The children looked fabulous in their odd socks on Monday to kickstart Anti-Bullying Week. In their classes, the children have thought about the importance of understanding bullying and what to do if they feel bullying is happening.

It has also been Maths Week this week and the children have completed a wide range of activities linked to Maths, including a Business Enterprise plan for their cake sale in aid of Children in Need. Thank you to Miss Edwards for organising a fun Maths Week for us all!

The children looked brilliant with their crazy hair today for Children in Need! Well done everyone for making such a super effort! Thank you to Mrs Brodie for organising the fun activities linked to Children in Need and to all of the staff who have supported this great cause throughout the week!

Next week is Assessment Week and the teachers will be assessing the children across Maths, Reading and Spelling. Some children will be completing booklets linked to these areas but please don't worry they will be carried out in a relaxed and engaging way. Have a lovely weekend! Mrs Taylor
